

Vaccination Information

Why Share

Senate Bill 895, passed in 2015, requires schools and child care facilities to have their immunization and exemption rates available at their main offices, on their websites, and for parents on paper or electronic format.

What to Share

Sites are required to share both

1. Their school or child care numbers
2. Their county's immunization numbers

Who is required to Share

Oregon's schools and children's facilities that count 10 or more kids in the immunization reports are required to share their immunization and exemption rates, along with their county rates, twice a year in three ways.

When to Share

30 days after the start of school AND 30 days after Exclusion Day.

Where to Share

- On a website or Facebook page
- In a main office
- Given to parents
